"Lewis & Clark Trail Museum"
The ultimate goal of the Lewis & Clark Trail Museum Committee is the construction of a museum in Clarkston. Several themes for exhibits are being considered. The lasting impact of Lewis and Clark's journey will be interwoven into the interpretation of these and other exhibits.

"Asotin County Centennial Committee Opening Day"
Asotin County will ring in the centennial with a kick-off ceremony at The Old City Park. The Governor's proclamation will be received at the Asotin County Courthouse in Asotin. Plans call for the proclamation to be delivered on horseback by the "Town Crier," a member of the sheriff's department, to the park ceremony in the gazebo. The Asotin High School Band will provide musical entertainment along with local area square dancers and singers. Lee Earl, local community leader, will preside as master-of-ceremonies.
