

Explanation of Point of Sale Links for IN THE SPIRIT Virtual Arts Market

These are three platforms to sell online that receive positive reviews. They all offer customer support to help you sell your work.

Etsy.com [Learn How to Sell on Etsy](#)

Squarespace.com [Squarespace: Build a Website – Website Builder](#)

BigCartel.com [Big Cartel Pricing](#)

You can also sell work through your social media. I have bought wonderful jewelry through makers on Instagram. This option takes more back and forth between you as the artist and the buyer. It also requires you to have a digital payment platform like [Paypal](#), [Venmo](#), [Cash App](#), so folks can provide payment virtually.

You are responsible for the sale of your work through the virtual market. TAM, MOG, and WSHM cannot host your digital sales. We are happy to direct visitors to whatever platform works for you.

While I have mentioned several specific sites, this is not a recommendation by TAM, MOG or WSHM. There are many virtual platforms that offer point of sale services, so please do evaluate each on your own to determine which is the best fit for you.
