## YOUR MISSION:

TO UNCOVER THE STORIES OF WASHINGTON'S CITIES & TOWNS

Find the eight major cities/towns represented in the exhibit, then FILL IN THE BLANKS WITH THE CORRECT CITY NAME:

- \_\_\_\_\_ was the terminus for the Northern Pacific's transcontinental railroad.
- \_\_\_\_\_ was actually moved four miles north to align itself with the railway line.
- The arrival of the Great Northern Railroad in 1893 and the Klondike Gold Rush beginning in 1897 made \_\_\_\_\_ a boom town.
- Both the \_\_\_\_\_ capital and the \_\_\_\_\_ capital, \_\_\_\_\_ was also home to Washington's first newspaper.
- \_\_\_\_\_ was a city of sawmills and land companies until the "Panic of 1893."
- Miners used \_\_\_\_\_ as a supply center during the the 1860s gold rush on Idaho's Salmon and Clearwater rivers.
- What put Spokane "on the map"?
- Draw a line between these artifacts/people and their historic places:
