## YOUR MISSION:

TO SURVIVE IN HARD TIMES & WARTIME

**1931:** You've lost your job, have no money, and no where to go. Describe the men you meet when you move into a Hooverville.

- Where do they come from?
- Why are they there?
- Describe the living conditions:
- Where are some of these Hoovervilles located in Washington?

**1934: The Word is Out...**

Jobs project east of the mountains—you take the train to Wilbur to find work.

- What is the project?
- What is its purpose?
- What would be so great about becoming a WPA worker?

**1941:** You are a Japanese-American farmer living on Bainbridge Island when word of a Japanese military attack on Pearl Harbor, Hawaii is released. Describe what happens to you and your family during the next two years.

**1943:** Too young to go to war, you do your bit by heading up scrap drives. What do you collect and how is it used?

**1945:** You've been working on a secret project in Hanford, Washington. How and when was the secret revealed?
