5. What importance do stories hold for native peoples?

6. What was sold Wednesday, January 7, 1903?

7. What treaty did this sale violate?

8. Name four epidemics faced by American Indians during the last three centuries:

FINAL PROJECT:

What are the threads of continuity that have helped the native people in Washington maintain their culture? List three then select one on which to prepare a 10-minute presentation.
